## Ticket Management Solution

Your business success relies on winning relationships and exceeding your clients' expectations. An improved ability to manage the details can put you ahead of your competitors.

### BENEFITS:

- Best of Breed Financial Software – Full integration to Microsoft Dynamics NAV.
- Tight integration with leading ticketing POS systems like POSNet or Ultra Ticket Sales from Ticket Technology.
- Easily Import daily Ticket Sales and Purchase Data.
- Comprehensive reporting by event venue, agent, salesperson and more.
- Generate targeted reports for analysis or trends.
- Generate more sales with faster order entry and increase staff productivity.
- Scale your systems as you grow your business.

With its familiar, Microsoft Outlook® styled interface, Microsoft Dynamics® NAV lets you be productive almost immediately. Navigation through the software is consistent and intuitive.

### FEATURES:
